

Tape counter times	Person speaking	Text
		<p>leaded windows ex-Policeman we bought it off a Policeman. You go in the front door stairs were to the left upstairs. There was a hallway right through to the kitchen from the front door there was a lounge on the right. Then there was another room back room further down and then you had the kitchen. And upstairs was I can't remember upstairs. The front room the main bedroom was at the front of the building. The second bedroom which I think the girls had going out to the back and then there was a smaller bedroom and that's all I can remember.</p>
	2148	Was it a three bedroom house?
	R	It was a three bedroom house.
	2148	And Tracey and Fleur were still sharing a room.
	R	Still sharing a room yes.
	2148	Whilst at your time at Portland Road were any evening classes undertaken or anything like involving Sheila?
	R	No. Portland Road evening classes no not that I can think of. Not that I can remember in the evening.
	2148	Any daytime courses?
	R	Yes there was a couple of instances. She'd got into the Leboyer technique it's a natural birth thing. And I was supporting her doing that and we'd got a 16ml film we used to run. It only happened a few times and it stopped because of James. Because we all used to go and the girls used to look after James in the pram but they didn't know what to do and he used to scream and scream the house down
