Dear Sirs,

Re: Our Client - James Colton

We enclose herewith print out of a page that we have found on the Internet which we shall be grateful if you can please place before Counsel immediately upon receipt.

The significance of this is that before our client left the Bournemouth area, he has in negotiations with the Kevala Centre to sell them courses in Iridology. It can be seen from this page that somehow, Kevala has received the courses and are now offering them themselves in association with The European Society of Iridologists. The Respondent has access to the computers upon which the lessons are stored.

Counsel will note that the newsletter was last updated on the 14th November 1999.

Yours faithfully,

HODGKINSONS
