AFFIDAVIT OF RESPONDENT

I, SHEELAGH WINIFRED COLTON of 40 Stokewood Road Bournemouth Dorset MAKE OATH and say as follows:-

1. I am the Respondent in this matter and I make this Affidavit in support of my application for ancillary relief.
2. When I met the Petitioner in 1977 had two daughters Tracey who was then five, and Fleur who was three. We began to live together with Mr Colton who was then a Caretaker at Heatheridge County Primary School in Camberley in 1978.
3. Although I thought the Petitioner would accept my children as part of his new family, he began by denying them access to their natural father which caused distress to my elder daughter Tracey.
