Continued detention is authorised as there are reasonable grounds to believe that it is necessary in order to obtain evidence by questioning. The grounds are that DP has been arrested for harassment of a female in Dorset. He has now been interviewed about this by Dorset officers. He has been legally represented and a scheme appropriate adult is present with him. He is shortly to be bailed from the station with a duty to attend Bournemouth PS at a future date. Spoken to in the presence of solicitor and A/adult. He understands the reason for his arrest, understands his legal rights, and what is proposed. DP has no requests, questions, or representations. Neither has solicitor nor a/adult. | <i>Inspector Marriott</i> MARRIOTT INSP 4087 |
