Hants.

Dear Sirs,

re: ROI JARMAIN.

We write to advise you that visits to all the known "squatting" houses in Farnham drew a blank. We therefore attended at Farnham Police Station and there saw a P.C. McPherson (629). He checked his records stating that Jarmain was well known to them. He advised us that Jarmain had last been noted on a bicycle at the Cox Bridge Roundabout, Farnham about two months ago. He put a note on the files for us saying that all the Police men would read and advise him on any more recent sighting.

We duly returned to see him on Friday last when he stated that Mr. Jarmain had not been seen since the report listed above. Checks had been made recently by them on "Squatters" but Jarmain had not been seen. They promised to advise us should they come across him.

Yours faithfully,  
A.A. GUMBRECHT.
