Dear Mr Booty

Re: James Colton

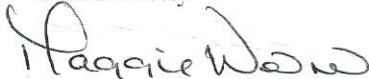

Would it please be possible for me to request copies of any letter that James sent to Watson Solicitors from the date of his arrest to the date of you being appointed.

I am afraid these are quite urgent as I have to return to sort some problems out in Canada and I leave on 24<sup>th</sup> September.

If you feel there is any further paper work that I need to forward to you please let me know as.a.p.

I am arranging further papers that James have requested you have sight of and will send them as soon as I have checked with James that I have found all that he requested. I will also be sending a video of a family holiday.

Yours sincerely

Maggie Werner
