	2148	Yes.
	R	A year ago.
	2148	Is that since your arrest or prior to your arrest?
	R	Prior to my arrest.
	49	Again without going too deeply into it your divorce and the affidavit was in Court I believe 1999/2000 yes?
	R	Yeah.
	49	And you started the website and your anger and your tirade and you're venting whatever you wanted to vent.
	R	No. My quest for innocence.
	49	Your quest for innocence you started about 2006/2007?
	R	Oh I could have done. No. The website I don't know I don't know because you see I'm mentally ill and I go through phases where I can't say I don't know what I'm doing. Because I do know what I'm doing but in a weird way. I still know what is right and wrong even in my downness and there was some time that I may have put some (inaudible) on there but.
	49	Would it be fair to say a reasonable period of time in years passed between the divorce case and when the website first started up?
	R	No. I'll tell you when it really started is she put in an application or her solicitor put in an application to transfer the house. And I'd got one bit of information saying that they were going to school at the time that they didn't start going to
