		these people. And yet since that time you sent out like you say hundreds of DVDs to people in regards to them. And you've started e-mailing them again and you're e-mailing them extracts from what.
	R	Can we just get this can we clarify under article 10 of the European Union I'm allowed to do this. It is my given God right.
	2148	Freedom of speech.
	R	Freedom of speech. Now if somebody punches me on the nose and the law says I can't punch him back but I can actually report it I don't see the problem. You're making the problem.
	2148	We're not going to get into a debate about human rights.
	R	No because you're making the problem about it. You're trying to intimidate me that I did something wrong. And that these people who answered my boxes wasn't them. These people are some kind of.
	SOL	I think what they're trying to say is.
	R	Is sick, sick in the head.
	SOL	You can have freedom of speech to put it on but if somebody is harassed by what they've got then.
	R	I'm sorry but you need to read article 10 it doesn't come into it. As long as it's the truth. It's just been strengthened in Strazburg you'd have to trust me.
