AFFIDAVIT OF TRACY FAWCETT

I, TRACY FAWCETT of 9 Damerham Road Bournemouth in the County of Dorset
MAKE OATH and say as follows:-

1. I have been a good friend of Mrs Fleur Thompson of 119 Headswell Avenue
Ensbury Park Bournemouth since 1991.
2. During an evening together in 1993 Fleur Thompson confided in me that her
stepfather, James Colton had sexually abused her while she was a young
child, at the family home on a number of occasions, and for that reason she
 had left home before her 18th birthday.
3. Mrs Thompson told me that she had not informed her mother about the sexual
abuse and that so far as she was aware her mother had no idea that it had
taken place.
